

HEALING LINE

2023 VOL. 3

Dear **FRIENDS**

We are excited to share with you some of the amazing things your prayers and donations have enabled CHM to do this year, but we urgently need your support to continue and expand on our vital work in the following areas:

PROVIDING HEALING PRAYER TO THOSE IN NEED

CHM continues to respond to over 100,000 prayer requests annually through our healing prayer conferences, private prayer appointments, and through intercessory prayer.

This year we resumed our Captivate Women's Conference, Day of Healing Prayer, and in-person, private prayer appointments that were on hiatus since the pandemic.

We also added new ministry events such as the Family Worship Night and monthly Healing Services to meet the growing need for healing.

CHM also partnered with the Sexual Integrity Leadership Summit and

provided ministry support to over 300 professionals.

Except for Captivate, these ministry opportunities were offered at NO COST thanks to your financial support!

TRAINING AND MINISTRY EVENTS

This year CHM hosted 28 in-person and online ministry and training opportunities.

Through our School of Healing Prayer Levels 1-4 and our Internship Program, CHM has trained thousands of prayer warriors to bring healing prayer back into their communities and churches.

This year CHM partnered with local churches, ministries and clergy from across the USA, and international Christian communities to provide free

CHM Prayer Ministers at a Prayer Minister's Gathering

or low-cost training to equip all of God's children.

VISITING OTHER COMMUNITIES

Judith, along with members of the CHM teaching team, took the message of healing nationwide, speaking at conferences and retreats in Alaska, South Carolina, multiple locations in Florida, and New York. She is bringing hope and healing into communities we could not reach without your help.

PROVIDING RESOURCES

Judith expanded on Francis' book, *Deliverance from Evil Spirits: A guide to Freedom from the Demonic Realm*,

Judith at Captivate Women's Conference

which will be available for purchase in March of 2024. She plans to revise and expand on two more classic books on prayer ministry in the coming year.

Our new Prayerful app, curated by David MacNutt, along with

Catalina Arzani, offers access to prayers through a free mobile app. One person who's life was transformed through CHM was inspired to donate the startup funds to build this new app.

OPPORTUNITIES AND NEEDS FOR ONGOING MINISTRY

We are experiencing a higher demand for ministry and training, so we are asking you, our faithful supporters, to donate now to help us to meet this growing need for healing prayer! Here are some of the developing areas that need your support:

• HEALING ADDICTIONS EVENT

Throughout her career, Judith has seen the great need to provide healing for those suffering from addictions and their families. Please help make this vision a reality!

• SCHOOL OF HEALING PRAYER, LEVEL 5

We've had a very high demand to create a curriculum for an advanced Level 5 School of Healing Prayer.

• IGNITE CONFERENCE

We continue to receive requests to resume our very popular Ignite conference in New England, but we need the funding for the additional

Ministry in New York

staffing necessary before expanding our current schedule and services.

• TECHNOLOGY UPGRADES

We have a new employee who will be working to replace our current website to support our ministry's rapid expansion. Additionally, she will be designing a website for our app Prayerful by CHM. This requires ongoing technical maintenance and updates.

• UPDATE MANUALS

We are working to update the School of Healing Prayer® manuals to reflect the current curricula available to in-person and online students.

• CHM MEMBERSHIP ACCOUNT

We are also exploring the possibility of a CHM membership account where you can find a curated collection of learning resources, transformative prayers, exclusive archive materials, and exciting discounts. This could provide CHM members with access to extensive resources while generating revenue for CHM's operations.

• CAPITAL CAMPAIGN

We have a shared dream of building a center where thousands can come to receive prayer and training, now and for many generations. We believe this is part of God's plan for CHM.

To continue our current programs and ministries, CHM needs support for the following:

AUDIO VISUAL ENHANCEMENTS

We plan to continue offering live streaming of our schools and events but need upgraded equipment and additional staffing to do this.

STAFFING NEEDS

Our current team of 13 is doing a remarkable job handling daily operations, including organizing schools and conferences, and providing daily prayer ministry. However, we need additional staff to meet the demands of our expansion.

FACILITY IMPROVEMENTS

Since our current location is over 50 years old, we need repairs and upgrades on our roof and A/C units, plumbing, the exterior of our buildings, and our beautiful

oak trees need trimming and at least one removal.

We are so grateful for your ongoing financial support and encouragement which enable us to continue this front line

ministry. If you have been impacted by this ministry, please prayerfully consider making a generous end-of-year donation so we can continue the work of restoring the healing ministry of Jesus to all those who need it.

Praying you and your loved ones have a joyful celebration of our Lord's birth this Holy Season!

With Love,

Judith MacNutt, the CHM Board and Staff

the word of their testimony...

Look what the Lord has done in 2023!

I placed a man named Glenn on the prayer list who needed a miracle to recover from a grand mal seizure. He has experienced seizures since his mid-teens, but this one was the most severe, landing him in the hospital for 3 weeks. In the hospital, the doctors didn't know if he'd recover or even be able to function, so I requested prayer for Glenn's healing through CHM's website. Glenn's doctors later said it was a miracle that he survived, and not just survived but can function, talk, etc. He is now in physical therapy to strengthen his legs and is improving. He loves the Lord and is reading through the Bible with a friend from our congregation.

—Laura (online prayer request)

I have been seeking healing of my Ulcerative Colitis (pan colitis, which means the entire colon is affected), which I've had for 10 years. Today, I had my annual colonoscopy, and the results are that my entire colon is "normal" for the first time in nearly a decade! God healed me through the ministry of CHM.

—Kaitie (Zoom Prayer Appt)

Over the course of completing the 4 Levels of School of Healing Prayer® a couple of years ago, I asked for prayer twice during the practicum times. I asked to be able to bear children, having been through three pregnancy losses. As I write now, I am looking at our 9-month-old son, John, who playing with his toys on our living room floor! He was conceived less than one month after my last training and prayer time with fellow CHM School of Healing Prayer® participants. I clearly remember how touched I was by the powerful prayers lifted up on my behalf during the CHM online practicum, and my heart is full. Thank you for the ministry you continue and for training others to pray!

—Jessica (SHP® Online)

I asked for prayer for the physical healing of my father when he had to have heart surgery for a very serious problem. I am happy to report my father made it through the surgery and is making a miraculous recovery! Thank you for partnering with me in prayer! Most importantly, I wanted you all to

praise the Lord with me for His grace and mercy in answering our prayer. Jesus is so good!!

—Rob (online prayer request)

I went to Journey to Healing to seek healing for my eyes (glaucoma and macular degeneration). Through the prayer I received, I can now see better, but am not yet fully healed.

To my surprise, I also received emotional healing for childhood wounds that had crippled me my entire life. I recognized them as lies but didn't know how to break free of them...until I realized I had been set free through prayer.

Recently, I was cleaning my bedroom and found a list of lies about myself that I had previously written on the back of an envelope; that I was loathsome, I didn't matter, unworthy, alone, unsafe, provide for self, deprived, among others. Now, this list doesn't resonate or trigger at all. These strongholds seem like a lifetime ago! I feel free for the first time in my life!
